Dear Fariborz,

Distribution in Iran

This letter is to confirm that we would like to continue our appointment of Power Technology Pyramids (PJSC), PTP, as our official agent and distributor for the Impress Sensors & Systems Ltd range of products within Iran.

We will endeavour to encourage and support PTP in activities relating to the sale of our product range including tendering, servicing, commissioning and installation through to aftersale and service support.

This agreement is ongoing until November 2008 or when either party wishes to review or withdraw from the agreement. 3 months notice must be given in writing for a termination of the agreement.

I hope the above is acceptable and look forward to hearing from you soon.

Best Regards

Sam Drury
